Financial expenses for February, 2019

Statement	Quantity	The amount	Total	Total
Workers' wages	5	\$ 150	750 \$	1650 \$ in USD
Material transfer fees	3	\$ 150	\$ 450	
Fees for supervision, follow-up and field clearance	3	\$ 150	\$ 450	

Caseload calculation of Children and PLW for malnutrition programs

Baseline population data

The baseline population (total per district and children 0-59 months per district) is estimated 2018 population based on Census 2004 with population growth rate applied per year (source: CSO 2018), accounting for the IDPs movement based on the 16th TFPM report (Task Force on Population Movement).

Total of population (10,000).

Equations for calculating malnutrition based on the total population of the target area					
Description	Children 0-59	Children 6-59	Children 0-23	Children 6-23	PLW
Equations	18.4 % of population	69 % of 0-59	8 % of population	5.7 % of 0-59	8% of Population
CMAM	1,840	1269	147	570	800
